# THE FAMILY MOOSE NEWS

MAY/JUNE 2022

*Caring and Sharing in Today's World - Something for all the Family*

One theory as to why the month of June is so called is that it was named after Juno, the Roman goddess of marriage.

No other month of the year begins on the same day of the week as June (I checked!)

In the northern hemisphere, 21<sup>st</sup> of June is both the longest day of the year and also the first day of summer (though the Met Office rounds it down to June 1<sup>st</sup>)

If you were born on or before June 20<sup>th</sup>, your star sign is Gemini and are said to be passionate, adaptable and smart. If you were born on or after June 21<sup>st</sup> your sign is Cancer and you are said to be loyal friends with great emotional depth.

The period of time from the middle of May to the middle of June was considered by the ancient Romans to be an ill-omened time for marriage. However, it is now considered to be one of the best times to tie the knot.

The birth flowers of June are the honeysuckle and the rose. Both of these flowers are symbols of all things relating to love, generosity and affection. If you were born in June, there's a good chance you'll be a bit of a romantic.

### THURSDAY 28 JULY

Berry's trip to the Donkey  
Sanctuary and Seaton £17

Names and money to Judy by  
Friday 24 June. You may miss out  
if you leave it any later as Berry's  
will only guarantee places booked

and pick-up points nearer the  
event.

This may come as a surprise to  
those of you not living in Las  
Vegas but there are more  
Catholic churches there than  
casinos. Not surprisingly, some  
worshippers at Sunday services  
will give casino chips rather than  
cash when the offertory basket is  
passed round. Since they get  
chips from many different  
casinos, the churches have  
devised a method to collect the  
offerings. They send all their  
collected chips to a nearby  
Franciscan monastery for sorting,  
and then the chips are taken to  
the casinos of origin and cashed  
in.

This is done by the chip monks!!

A man knocked at my door and  
asked for a small donation for the  
local swimming pool. So I gave  
him a glass of water.

Why is a man who invests all  
your money called a broker?

What starts with an E, ends with  
an E and only has one letter in it?  
Envelope.
